

**BIRD
IN
HAND**

The Nest Egg range is created only in outstanding vintages and represents the very best Bird in Hand has to offer. Careful ageing in the finest French oak develops an impeccable depth and complexity. Each bottle from the Nest Egg range is individually numbered and beautifully presented for your enjoyment.

Nest Egg Cabernet Sauvignon 2013

ADELAIDE HILLS

The Nest Egg label is reserved for the most outstanding wines of the vintage, regardless of variety. Cabernet Sauvignon was outstanding in 2013 and we created 2950 individually numbered bottles.

The wine has a deep red colour and intense aromas of violets, cassis and aniseed. The palate is an intense expression of the aromas, enhanced with silky tannins and a deliciously long, persistent finish.

Crushed into small open fermenting tanks then matured for 18 months in the finest French oak, this extremely limited wine will cellar exceptionally well and reward the patient and discerning collector.

To enhance your drinking pleasure, we recommend double decanting this wine.
