

**BIRD
IN
HAND**

The Nest Egg range is created only in outstanding vintages and represents the very best Bird in Hand has to offer. Careful ageing in the finest French oak develops an impeccable depth and complexity. Each bottle from the Nest Egg range is individually numbered and beautifully presented for your enjoyment.

Nest Egg Shiraz 2013

ADELAIDE HILLS

The Nest Egg label is reserved for the most outstanding wines of the vintage, regardless of variety.

Yields are kept extremely low to maximise flavour and tannin development.

The wine is deep red in colour and has intense aromas of dark berries and clove with hints of pepper.

The palate is a long, rich and elegant expression of the aromas and embodies characteristics of blackberries and dried herbs. The flavour is enhanced by silky tannins typical of cooler climate Shiraz.

Matured in the finest French oak for over 18 months, this extremely limited wine will cellar exceptionally well and reward the discerning collector.
