

BRAUNEWELL

SELZTAL IN RHEINHESSEN

RIESLING KABINETT

Braunewell // Superior quality wines known as Prädikatswein are the top wines in the Braunewell winery. Only the oldest vineyards of classic grape varieties from our top locations in Essenheimer Teufelspfad and Elsheimer Blume are selected as residual sweet quality wines.

The Riesling Kabinett - juicy, crispy, fresh acidity and little alcohol.

// WINE Aromatic, fruity Riesling. Slightly floral notes on the nose, aromas of apple and peach. On the palate characterized by the carbonic acid from the fermentation, significantly more ripened flavours of nectarine and citrus, noticeable Riesling acidity, balanced sweetness and long reverberation.

// SOIL Limestone, Limemar, Loess

// HARVEST The grapes for this wine come from the various Riesling vineyards in Essenheim and Elsheim. They were picked by hand between the beginning and end of october.

// YIELD 74 hl/ha

// CELLAR and STORAGE Partially controlled fermentation in stainless steel tanks, partial fermentation in wooden barrels with subsequent storage on the yeast until early February. Bottling in March.

// RECOMMENDATION for light summer cuisine like Toast Hawaii, spicy red Thai Curry and for relaxed evenings with friends

// STORAGE CAPABILITY to at least 2024

// DRINKING TEMPERATURE ca. 8-10°C
