

BRAUNEWELL

SELZTAL IN RHEINHESSEN

TEUFELSPFAD RIESLING BEERENAUSLESE NOBLE SWEET

Braunewell // Superior quality wines known as Prädikatsweine are the top wines in the Braunewell winery. Only the oldest vineyards of classic grape varieties from our top sites in Essenheimer Teufelspfad and Elsheimer Blume are selected as residual sweet quality wines. The TEUFELSPFAD // Riesling Beerenauslese is a gift from the 2015 sweet wine vintage. Old vines, concentrated aromas in the small, golden-yellow berries form the substance of this wine. We winegrowers accompanied the development of the wine to a heavenly temptation. If the devil knew that!

// WINE Golden yellow in the glass! Concentrated, exotic fruits, highly ripe citrus and dried apricots, paired with a subtle honey note. The fruit explodes on the palate. Grapefruit, pineapple, mirabelle are added and mix with the complexity of the berry selection, supported by prominent Riesling acidity and an eternal finale!

// SOIL Limestone and Limemarl

// HARVEST The grapes for this wine come from TEUFELSPFAD's Riesling vineyards, which are over 30 years old. These raisin grapes were selected by hand in October at a very ripe temperature of 166 ° Oe. Limited quantity!!

// YIELD 8 hl/ha

// CELLAR and STORAGE Restrained fermentation in stainless steel tanks and glass balloons. Stopped at 252 g of residual sugar through natural cooling. Subsequent storage on the full yeast until early February. Bottling in March.

// RECOMMENDATIONS A wine for great moments!

// STORAGE CAPABILITY to at least 2050

// DRINKING TEMPERATURE ca. 7-9°C

// TECHNICAL DATES
